****BIG BASS OF THE TOURNAMENT AWARD**

We will still promote and pay the daily Purolator Big Bass Award to the angler catching the largest bass of the day; however, there will be an **exciting new end-of-the-tournament** award for the pro or amateur angler catching the largest bass of the tournament. We will then use the angler's photo with the fish and a detailed description of the conditions and techniques used to catch it in a *Purolator Big Bass Of The Tournament* feature on the *Bassmaster's* television show, *Bassmaster* and *Bass Times* Magazines, and internet.

GRAND TOTAL CURRENT BIG BASS PAYOUT \$109,600 PLUS \$31,000 FOR NEW AWARD = \$140,600
