SE Texas BASS Federation Nation
Jr. Bassmasters Tournament
Lake Livingston – Penwaugh Resort & Marina

11 teams signed up and 6 teams weighed in fish.
Check Stats Sheet for totals...

This tournament would have been a total loss if it weren't for some dedicated young anglers. We were greeted by lightning, high winds and torrential rains causing a delay of nearly an hour. All contestants agreed to wait for it to blow over and we are glad we did. Lake Livingston is still approximately 4 feet below pool and rising slowly. It may have come up a foot since the day of the tourney. Several contestants stayed within sight of the marina and caught fish. Some fished off the bank until the rain passed. Boaters reported catches on soft plastics and blade baits near wood with grass. All fish were weighed in and released alive except the 4.83lb catfish Whitney Brewer caught. She was looking forward to a lesson from Dad on how to prepare it for a meal.

All participants received a goody bag for entering.
1st place winners were awarded Rod and Reel Combo that included a Tackle Bag.
2nd place winners were awarded Rod and Reel Combos.
3rd place winners were awarded Solar Bat Sunglasses and Reel Grips.

Contributing Clubs; Onalaska Bass Club, Katy Bassmasters, and Bass Anglers of Houston.
Contributing Sponsors: Academy, Geneva Enterprises, Kistler Custom Rods.

Our next event will be May 27th on Lake Sam Rayburn's Mill Creek Park.

Make your reservations early it will be a busy weekend on Rayburn!

Take a kid fishing; they grow up too often without these fond memories.

All The Best,

J Miller
