SE Texas B.A.S.S. Federation Nation  
Jr. Bassmasters Tournament  
Lake Conroe – April Plaza Marina  
25 teams participated and 10 teams weighed in fish.

The regular season is over and the final event of the year was a great success. Thank you to all the anglers for making my first year as Youth Director an absolute blast! I hope to see everyone again next year so keep an eye out for the new schedule. We were greeted by a northern shift of weather and the stifling heat was almost bearable. The fishing on the other hand was less than desirable. It seems that fish of every species were hard to come by. A large bag came in from Jordan Swaim who found a honey hole and weighed in an 11.74lb sack of perch with a catfish kicker.

Congratulations to all the winners of this tournament you did a great job and I am proud to be a part of it. You can see the final statistics on the web: <http://www.texas-bass.com/SE/castingkids.htm>

October 14<sup>th</sup> is the date for our State Championship at Stillhouse Hollow. The anglers who have accumulated 200 points have qualified for state thru the SE Region Jr. Bassmasters. If your points do not accumulate 200 then I encourage you to participate in any of the two other regional events taking place before the finals. You can see a list of the events coming up at:  
<http://www.texas-bass.com/youth/jrbassschedule.htm>

Thank you to Ron and his staff at April Plaza for allowing us to use the stage and the air conditioning! Thank you to all the members of the Seven Coves Bass Club for your assistance and participation. Thank you George Cook of Geneva Enterprises who contributes Reel Grips, Solar Bats and Shakespeare, Tim Jahn with American Rodsmith's, Academy Sports, John Payette of [www.bassfishingworld.com](http://www.bassfishingworld.com), Plano Molding and most of all the SE Texas B.A.S.S. Federation Nation. Without the support from every member in our region this youth program would not be possible.

All The Best,

J Miller  
Youth Director  
SE Texas B.A.S.S. Federation Nation
