

Texas B.A.S.S. Federation Nation

North Central Region

2011 Tournament Rules

1. RULE CHANGES-C: Great effort, study and research have gone into the formulation of these rules. These rules shall remain unchanged throughout all events. In the event of a rule violation, the Tournament Director may impose such sanctions, as he deems appropriate, including and without limitation, disqualification, forfeiture of prizes, entry fees and prohibition from participation in subsequent tournaments. The decision of the Tournament Director or tournament officials shall be final.

2. PARTICIPANTS AND ELIGIBILITY-C: Texas BASS Federation Nation tournaments are only open to members of the Texas B.A.S.S. Federation who are 16 or older. Proof of age to the satisfaction of tournament officials is the responsibility of competitor. DURING THE OFFICIAL PRACTICE AND TOURNAMENT HOURS NO CONTESTANT MAY OPERATE A BOAT WITHOUT PROOF OF BOAT LIABILITY INSURANCE OF \$300,000 OR MORE. ***Proof of insurance is not required to be sent in with the tournament registration, but will be required to be on the boat and ready for check if requested. If the insurance binder is not available when/if requested the boater will not be eligible to participate in a tournament.*** Any contestant that is handicapped in such a manner as to unfairly hinder his partner or endanger his safety shall not be eligible. All tournament participants must be 16 years old or older, a member in good standing with B.A.S.S., a member in good standing with National BASS Federation Nation, a member in good standing with the Texas BASS Federation Nation and a member in good standing of a Texas BASS Federation Nation affiliated club to accumulate tournament trail points.

3. PRE-TOURNAMENT PRACTICE/OFF LIMITS-D: The tournament lakes will be off limits from 6:00 p.m. Friday thru 4:00 p.m. Sunday, except for tournament hours which will be determined by the Regional Director. During practice, and during the tournament, a competitor may not have the assistance or advice of anyone for the purpose of locating or catching bass other than another contestant. The purchasing or bartering of information or the hiring of a guide within 30 days prior to any tournament is prohibited. No skin diving or scuba diving on the tournament waters during official practice or tournament days. No use of CB Radios, VHF marine band radio or cellular phones for the purpose of locating or catching fish. All of the above may be used in the case of an emergency for location purposes only. Each contestant agrees to report any violation of these rules immediately to the tournament director. Failure to do so could result in your disqualification. By your participation in this event you agree to submit to a polygraph test should you be accused of any rule violation. The administration and interpretation of the polygraph test shall be the sole responsibility of the tournament director. The Tournament Director shall select the place, the individual and the scope of questions. The contestants shall make themselves available at their own expense for this examination.

4. REGISTRATION-D: See NC Region Registration Procedure on the website.

5. BOAT, MOTOR & SAFETY-C: Safe boat conduct must be observed at all times by tournament competitors. During official practice and tournament hours, each competitor is required to wear a Coast Guard approved chest type life preserver. This life preserver must be worn anytime the combustion engine is operating. The preserver must be strapped, snapped or zippered securely and maintained in that condition until the competitor reaches his fishing location and the combustion engine is shut off. Tournament officials have the right to delay or cancel the start of an official tournament day because of bad weather or other factors that would endanger the safety of the

competitors. For the safety of all, boats must be equipped with some type of ignition kill switch. This device must be attached to the driver any time the combustion engine is operating. All boats must be 16 ft or more in length. No raised platforms or decks higher than the gunnels. No bladder or auxiliary gas tanks that were not installed by the manufacturer permitted. No stick steering boats permitted to be used.

6. SPORTSMANSHIP-C: Contestants are expected to follow high standards of sportsmanship, courtesy, safety and conservation. Any infraction of these fundamental sporting principles may be deemed cause for disqualification. During official practice and all tournament hours no competitor shall use alcohol or drugs other than those prescribed by a physician. Doing so will result in immediate disqualification. Maximum courtesy must be practiced at all times, especially in the vicinity of a non-competitor's boat.

7. TACKLE AND EQUIPMENT-C: Dip nets are allowed. Dip nets cannot exceed 6 1/2 feet in overall length. If fish are netted, B.A.S.S. recommends the use of a rubber or vinyl-coated net. Only artificial lures may be used. No "live bait" or prepared bait will be permitted, with the exception of pork strips, rinds, etc. Only one casting, spin casting, or spinning rod (8ft. max. from butt of handle to rod tip) and reel may be used at any one time. All other types of rods are prohibited. Other rigs as specified above may be in the boat ready for use. However, only one is permitted in use at any given time. All bass must be caught live and in a conventional sporting manner. Anyone guilty of snatching or snagging visible fish will lose their day's catch. When visible fishing, all bass must be hooked inside the mouth and must be verified by your partner before unhooking to be a legal fish. No gaffs may be used to boat a bass or be permitted in the boat at any time. The use of grippers in landing bass is prohibited.

8. HORSEPOWER REGULATIONS-C: Maximum horsepower for all competitors will be 250hp. No boat may exceed the maximum Coast Guard rating. No altered motors to increase the horsepower over the factory rating allowed.

9. BASIC BOAT EQUIPMENT-C: Every boat must have all required safety equipment. In addition, it must have a functional bilge pump and live well space, properly aerated, to adequately maintain a limit catch of bass by both fishermen using the boat.

10. GUARANTEED BOATERS & GUARANTEED NON-BOATERS: A contestant will be a guaranteed boater by bringing his own non-boater for the tournament. Likewise, a contestant will be a guaranteed non-boater by bringing his own boater for the tournament. All guaranteed boaters and guaranteed non-boaters must be specified on both competitors' entry form. Non-guaranteed non-boaters will be paired with non-guaranteed boaters.

11. BOAT OPERATION-D: A full discussion between partners must be held prior to the morning departure as to the schedule of boat operations. This schedule must permit each partner equal time to fish from the front of the boat and operate the trolling motor so as to offer each partner the opportunity to fish his selected water an equal number of hours. Distance traveled to fishing locations must be considered in order not to deprive either partner fishing time. If a contestant waives the above rights, he/she shall retain the right to select the fishing water for one-half the tournament day.

2011 Tournament Rules

In a continuous effort to promote fairness and sportsmanship a draw partner who shares or divulges a previous partner's fishing locations with other competitors will be disqualified along with the person utilizing this information. Any contestant who, in the judgment of the officials, operates the boat in such a manner as to unfairly handicap his partner shall be disqualified. An electronic trolling motor may be used for positioning only. No trolling with the electronic trolling motor for the purposes of fishing. Each contestant being considered a boater is expected to make that boat and motor available for tournament use by himself and his daily partner. In view of the large expense in operating and maintaining a tournament boat, it is suggested that the non-boater at least share part of the cost of gas and oil for the competition day.

12. PERMITTED FISHING LOCATIONS-C: The Tournament Director shall establish Tournament waters. Any posted off limits or no fishing by state or federal officials will be off limits. The live bass release area established by the tournament director will be off limits. This area will be announced at the tournament briefing. All angling must be done from the boat. Contestants must remain 25 yards from another contestant with the trolling motor down and 50 yards from contestants that are anchored with the trolling motor up. All such boats are required to advise any other competitor when such boat believes the competitor is close to being within these distances.

13. CONTESTANTS MUST REMAIN IN BOAT-C: Contestants may not leave their boat to land a fish or make the boat more accessible to fishing waters. Boats must remain in tournament waters during each tournament day. Contestants must leave and return to official checkpoint by boat. Both competitors must remain in boat at all times except in case of dire emergency. Partners must remain together at all times, in sight of each other and each other's catch under the conditions cited above in order for their catch to be scored. If a competitor must violate this rule then both partners must cease fishing and have their catch verified by a tournament official in order for that catch to be scored. A restart will be allowed and the competitors will continue from that time. ***The only exception to this rule will be when launching and loading the boat, one angler will be allowed to park and retrieve the launch vehicle.*** No trailering of tournament boats will be allowed except by the direction of the tournament director.

14. OFFICIAL CHECKPOINT-C: There shall be only one official point for check out in the morning and check-in in the afternoon. The tournament director will designate the location of the official checkpoint. Partners must remain together until their fish are weighed, with above-mentioned exception.

15. SCORING-D: Will be based upon a points system. (Example-100 points for 1st, 99 points for 2nd, 98 points for 3rd and so on through the placements). Contestants with no fish shall be awarded 25 points less than the points awarded for the smallest stringer of fish weighed. Each angler should ask to have his/her big fish weighed. Each contestant may weigh a 5-fish limit with a minimum length of 14 inches (courtesy check is allowed) unless the lake minimum is greater. Competitors who present bass at weigh-in which fall short of the official length shall lose that day's catch. Culling of fish is each contestant's responsibility and no more than 5 fish may be kept in the livewell. Culling of dead fish is not allowed. Only Largemouth, Guadalupe, Smallmouth and Kentucky Spotted Bass will be weighed. Any bass that appears to have been mangled, mashed, or otherwise altered will be weighed and

credited only at the tournament official's discretion. The Gator Grip Golden Rule will be the official tournament measuring board.

16. KILLING YOUR CATCH-C: Each competitor is expected to keep his catch alive and properly aerated. There will be a .50 lb penalty for each dead fish presented at the weigh in.

17. LATE PENALTY-C: Competitors who are not in the official checkpoint area, as described in rule 14, at the appointed time shall be penalized at the rate of one (1) pound per minute to be deducted from the total weight of his catch that day. The penalty will also be deducted from big bass weight. Any competitor more than 15 minutes late shall lose all credit for that day's catch. All fishing must cease when that contestant has checked in. After the tournament begins, fishing the tournament water is prohibited except during the tournament hours. Tournament start and check-in times will be announced at the tournament briefing.

18. TIES-D: In case of a tie, the following tiebreakers will be used; (1) the individual with the most fish weighed in, (2) the individual with the largest single fish, (3) if a tie still remains, the flip of a coin will determine the winner. (All contestants must have their big fish weighed.)

19. ENTRY FEE/PAYBACK: Entry fee for each tournament will be \$75.00 with \$5.00 going for Big Bass, \$5.00 going into the Classic pot, \$3.00 going toward the Angler of the Year pot and \$2.00 to help fund youth. Payback will be figured on 80% of the regular entry fees with one place paid per seven (7) entries. Payback for the largest bass by net weight is 100%. All payback (and any prizes) will be issued at the weigh-in site. Any late registration fees collected will be added into the general fund.

20. ANGLER OF THE YEAR: Will be awarded to the angler having the greatest number of points totaled from all 6 tournaments. In the event of a tie, the angler with the highest place finishes during the Regional Trail will be named "Angler of the Year."

21. PROTESTS-C: Any protest must be in writing no later than 15 minutes after the close of the daily weigh-in to the Tournament Director.

22. CHAMPIONSHIP CLASSIC: The North Central Regional State Team representative (angler who goes to the divisional tournament) will be determined at a Championship Classic draw tournament after the Regional Trail is concluded. Contestants for the Championship Classic must fish at least 4 of the 6 Regional Trail tournaments to qualify. The number of contestants for this tournament will come from 60% of the average tournament field during the Regional Tournament Trail. \$5.00 from each Regional Trail tournament entry fee will go into a special jackpot fund for the purse of this tournament. Additionally, an angler who fishes all 6 of the Regional Trail tournaments receives an automatic bid to the championship.

23. REGIONAL TOP SIX Team: The contestants for the Regional Top Six Team competing in the State Championship will be selected from the Championship Classic contestants. If for any reason a

six-member team cannot be selected and less than six (6) members wish to participate in the State Tournament, they still must pay the full entry fee.

24. OTHER RULES: The Texas B.A.S.S. Federation Nation Tournament Rules and Regulations will be used if a rule is not specifically covered in these rules. The North Central Regional Director reserves the right to make final decisions on any rule/issue.

25. Emergency/Leave Early: If a contestant wishes to leave the lake prior to weigh-in, that contestant **MUST** notify the tournament director or a tournament official, leave a note at the designated check-in area, or notify another tournament contestant that **will be present** at the weigh-in in order to receive points for the tournament. This is a safety requirement that all **must** adhere to.

C = Common rules across all Regions in the State.

D = Discretionary general rule that may be customized to accommodate Region constraints.
